### A CEDA-IADC CONFERENCE

## DREDGING FOR SUSTAINABLE INFRASTRUCTURE

#### **19 – 20 NOVEMBER 2018** Beurs van Berlage | Amsterdam

## **NETWORKING AREA**

Throughout the event's two day duration, a Networking Area with displays will be organised alongside the conference's programme within the Beurs van Berlage. The Networking Area is the key meeting point for all delegates attending the programme to exchange ideas, discuss presented innovations and enhance knowledge exchange. Companies which are looking to have a memorable presence at the event which leaves a lasting impression on the delegates can opt to have a display dedicated to its products and services.
